

Murrysville needs more volunteers to eradicate the invasive exotic plant species in the local parks and nature reserves.

If you need more volunteer hours to make your resume' look good, here is a great opportunity to loose some weight at the same time.

Also, if you would like to learn more about our native plants and help to save them for future generations to enjoy, contact Pia van de Venne, Volunteer coordinator Murrysville's Parks at 724 733 2770
